

## **Incorporation**

On March 20, 2016, in the State of Washington, in its articles of incorporation section stated that “Noorann Modern Education is formed for the purpose of education and dissemination of Arabic language (one of the challenging critical languages) and culture using technology applications to deliver high quality education using the tenets of modern education and to follow the new educational trends emerging in the schools in the modern education era”. Noorann Modern Education is a non-profit organization, 501 (c) (3) public charity. In the first four years, the organization filed to the IRS Form 990-N, due to small size of donations.
